### Release of Liability

I, the Parent/Guardian of the registrant, a minor, agree that I and registrant will abide by the rules of the RCBA, its affiliated organization and sponsors. Recognizing the possibility of physical injury associated with baseball and its consideration for RCBA accepting the registrant for its baseball programs and activities (the "Programs"), I hereby release, discharge and/or indemnify the RCBA, it affiliated organizations and sponsors, their employees and associated personnel, including the owners of fields and facilities utilized for the Programs, against any claim by or on behalf of the registrant as a result of the registrants participation in the Programs and/or being transported to or from the same, which transportation I hereby authorize.

### Zero Tolerance

A "Zero Tolerance" approach will be taken against any players, coaches and spectators who display or disrespect toward officials, players, coaches and spectators of the opposing team. This is not a rule. It has always existed. Spectators must refrain from yelling profanities and other verbal insults from the stands either directed at the officials, coaches or opposing players. Players and coaches can do their part by learning to respect the umpire's decisions. It is important that everyone refrain from using abusive language or gestures directed at officials, coaches, opponents and other spectators. Letters or complaints filed from the past regarding an officials actions have not gone unanswered. All complaints are reviewed and, if warranted, have resulted in suspension and in some cases have led to the umpire's dismissal. Complaints range from rule interpretation to misuse of authority. If it is a problem, let us correct it thru proper channels, not on the field.

I have read the **Zero Tolerance** rule and by signing this I agree to abide by it.
